

Improve Your Career & Employment Prospects

Start a new journey of lifelong learning with Alison, the free online learning platform. Over 20 million learners have chosen to learn with Alison and you too can empower yourself today!

Why Alison?

Courses can be completed in as little as 2 hours and your progress is shown in your learner record, which is free to download. You can also proudly display your success with an Alison Certificate, which is available to buy for every course successfully completed.

Our courses are completely free to access and complete.

Our courses focus on practical, work-based learning skills.

Career Guide directs you to the courses just right for your job.

Courses are self-paced. You can complete in your own time.

Make a start today - Topics are typically a few minutes in length.

Empower Yourself www.alison.com

Sign up using your name and email address then visit our menu or categories page and find a course that interests you. Find out how Alison can improve your job skills training by emailing workforce@alison.com.
